There are residence requirements for research council funding for postgraduate research. These are based on the Education (Fees and Awards) (England) Regulations 2007 and subsequent amendments. Normally, to be eligible for a full award a student must have no restrictions on how long they can stay in the UK and have been ordinarily resident in the UK for at least 3 years prior to the start of the studentship (with some further constraint regarding residence for education).

For further information regarding residence requirements, please see the [regulations](#). These include further information, for example about refugees, migrant workers, residence for education and EEA nationals.
